Conflict of Interest in CCB Functions

Colorado Bluesky Enterprises, Inc. (CBE) recognizes the potential for conflict of interest arising from the multiple roles of a Community Centered Board as a case management agency, service provider, and contract manager. Therefore, CBE is committed to avoiding all actual and the appearance of conflicts of interest regarding its multiple roles. It is, has been and continues to be CBE's policy that consumers, guardians, and parents shall be given fair and unbiased access to providers and empowered to make their own choices. Actions or decisions with intent to gain an unfair advantage by CBE shall not be tolerated.

Procedure

In order to ensure Transparency, Consistency and Accountability, CBE shall require safeguards including, but not limited to:

1. Demonstrate and document measures to avoid and address conflict of interest;
 2. Information and Referral;
 3. Wait List Management;
 4. The Request for Proposal process;
 5. Resource Management;
 6. Marketing of Service Agencies; and,
 7. On-going staff and board training and review of these issues shall continue to occur.
