C. Transition conference, if child potentially eligible for Part B	100.00%	83.58%		91.94%	6/6	93.70%

**State Summary of Community Centered Board Performance in FY 2008-09:**

Colorado Bluesky had timely correction of noncompliance, timely, valid and reliable data, and completed interagency agreements. Colorado Bluesky is in Year 2 of Needs Assistance which requires additional technical assistance activities.

\*NR = Not Reported -The family outcomes survey was sent in June 2009 to 82 families served by Colorado Bluesky with an active IFSP and receiving services for at least six months. The results for the family outcomes survey cannot be reported because only 7 families responded to the survey. Reference 20 U.S.C. 1416(b)(2)(c)(iii) "Privacy The State shall not report to the public or the Secretary any information on performance that would result in the disclosure of personally identifiable information about individual children or where the available data is insufficient to yield statistically reliable information."
